June 29, 2000

Dear Jim,

Surprise!! It may have taken a while but we're delighted to be able to follow through on our word and send you the feedback from your session at our spring conference.

We extend a tremendous thank you for your involvement with AARC at "If It's To Be, It's Up To Me" in Edmonton, May 2-4, 2000. I am proud to share with you that this conference not only awakened spirits, but touched people's lives and has made a real difference for several people in attendance.

Your insights, challenges and encouragement were greatly appreciated and on behalf of the Association and the conference participants –
THANK YOU!!

We look forward to the opportunity to work together again and extend all good wishes for success in the future.

Sincerely,

Wendy
